CHANDLER SCHOLARS

What is Chandler Education Foundation?

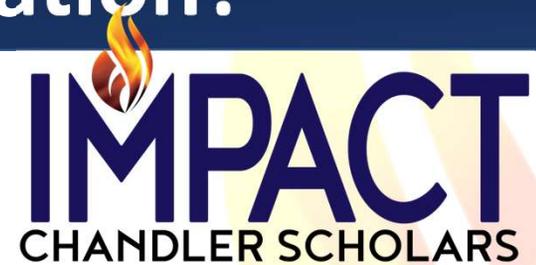

Established 36 years ago,
Chandler Education Foundation is the original non-profit fundraiser
for Chandler Unified School District.

The Foundation exists to invest community support into educational opportunities,
paving the way to lifelong success for CUSD students.

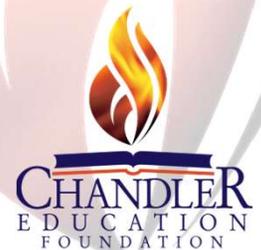

By utilizing private investment in public education,
the Foundation seeks to maximize growth
as students become engaged members of a global community.

There are three staff members and 18 volunteer board members who support the Foundation.

In addition to the IMPACT program, Chandler Education Foundation supports teacher
scholarships for advanced degrees and certifications, classroom enrichment grants, over
\$100,000 in donor scholarships, and supports the district's crisis funds.
